# Cordless Power Water Pump

## Pump Stick™

*Rugged. Versatile. Essential.*

**Durable** REED Pump Stick™ with cordless power provides a portable, jobsite friendly way to remove standing water, up to 15 gallons per minute.

**Power** with operator's own battery by replacing the Battery Adapter Plate.

**Long**, slim design allows pumping deep from small cavities as the pump is 38 inches from bottom tip to hose outlet. And, Pump Stick lifts water up to 12 feet above the base. Comfort grip handle at the top brings the pump to 4 feet for operational ease.

**Reaches** extra deep with the optional 24 inch comfort grip handle to bring total pump length to 66.5 inches, tip to tip. Add extra hoses and hose couplings to complete the set-up.

**Useful** everywhere, the Pump Stick is a must-have for contractors and maintenance departments.

**Numerous applications due to the versatile construction of the pump.**

Optional adapter plates available for several 18V-20V battery brands

Sealed switch for safety

Secure, magnetic hose connection

Standard 2' hose (.6 m)

Aluminum body for durability

**CP15-38B**

### Pump Stick™ Kits

**CP15-38B** 08140 Pump with Battery Adapter Plate for Bosch® & 2ft Hose - Base Model. Battery NOT included.

**CP15-38** 08141 Pump Complete with 2ft Hose, 18V 4.0Ah Bosch® for REED Battery & Charger in Case.

**CP15-38**

Quick change motor

Multiple screen/filter options to suit the job

## Battery Adapter Plates & Batteries

<b>CPAPDEW</b>	98140	Battery Adapter Plate	Fits DEWALT® 20V
<b>CPAPMIL</b>	98141	Battery Adapter Plate	Fits most MILWAUKEE® 18V
<b>CPAPMAK</b>	98149	Battery Adapter Plate	Fits MAKITA® 18V
<b>CPAPBOSCH</b>	98139	Battery Adapter Plate	Fits BOSCH® 18V
<b>4AHBAT</b>	98185	18V 4.0Ah Battery	Fits BOSCH®

- Provides extra battery options for REED Pump Stick™.
- Swap the plate to fit common batteries.

4AHBAT

**Plates Fit 18V - 20V Current Slide Style Batteries**

## Hoses

<b>CPHOSE4FT</b>	98144	4FT Hose with Magnetic Connection
<b>CPHOSE7FT</b>	98145	7FT Hose with Magnetic Connection
<b>CP15COUP</b>	98147	Hose Coupling

- Abrasion-resistant, industrial grade hose is crush resistant for reliable water removal.
- Smooth interior ensures efficient water flow.
- Plastic, lightweight hose resists corrosion and remains flexible at low temperatures.
- Hose design includes magnetic hose connector.
- Requires Hose Coupling #98147 to connect hoses for additional length.

## Screens, Strainers & Filters

- Install screens or filters inside end cap to keep secure during use.

CP15SCRFLTR

CP15MEDSCRN installed

<b>CP15MEDSCRN</b>	98166	Medium Screen, 3/pk.	Filters out anything larger than than .034" from entering the pump. This is about the size of coffee grounds.
<b>CP15FINESCRN</b>	98167	Fine Screen, 3/pk.	Filters out anything larger than .021" from entering the pump. This is about the size of sugar granules.
<b>CP15FILTER</b>	98168	Felt Filter, 100 Micron, 2/pk.	Filters out anything larger than 100 microns (approximately .004") from entering the pump. This is about the size of flour. Use with screens #98166 or #98167 to hold position.
<b>CP15SCRFLTR</b>	98190	Screen/Filter Assortment contains fine screen (1) medium screen (1), felt filter (1)	Keep this assortment on hand to adapt to different water removal situations.
<b>CPMSTR</b>	98188	Marine Strainer, Stainless Steel, 1/pk.	Filters out anything larger than bigger than .250" from entering the pump. This is about the size of pea gravel. This strainer is recommended only for clean water transfer such as pools and spas.
<b>CPRCSTR</b>	98189	Strainer with Recessed Center, 1/pk.	Strainer pulls water from the sides, not the bottom, to help prevent clogs and keeps larger material from entering pump.

## Other Accessories

<b>CP15CASE</b>	98193	Standard Case, Red	Heavy-duty case with protective foam insert.
<b>CP15LCASE</b>	98194	Large Case, Red	Heavy-duty oversized case with protective foam insert.
<b>CP24HDLGRIP</b>	98184	24" Handle with Grip	Add extra reach with this extended handle.
<b>R5GBUCKET</b>	01240	5-Gallon Bucket	Sturdy bucket is a useful jobsite staple.
<b>CP15RM</b>	08142	Assembly with motor, motor mount with screws, and impeller	If needed, replace the motor assembly to get the Pump Stick back in working condition.
